Welcome Message

*W*elcome to the 6th Annual Tuscaloosa County Civic Hall of Fame Induction Ceremony, hosted and coordinated by The Chamber of Commerce of West Alabama. On behalf of our 2006 leadership team, thank you for sharing in this wonderful experience as we join together to celebrate excellence, civic achievement, and servant-leadership.

The purpose of the Civic Hall of Fame is to honor citizens who have made broad, lasting contributions to the overall prosperity and progress of Tuscaloosa County, and who have, by giving of themselves over a significant period of time, made a positive difference in the development of the quality of life we enjoy today.

By recognizing individual citizens for their excellence and community service, and by portraying each as a role model, it is our hope and desire that the Civic Hall of Fame will stimulate interest in and appreciation of the value of our community's history and traditions while fostering civic involvement.

The Tuscaloosa County Civic Hall of Fame was a dream born out of The Chamber's 100th anniversary year, celebrated in the year 2000. It was created as a gift to the community and was envisioned to be a permanent way to honor citizens who have provided the vision and leadership that has brought us to the prosperity and quality of living we experience today.

To date, we have tapped forty exceptional citizens as members of the Tuscaloosa County Civic Hall of Fame - individuals of courage, commitment and determination - individuals with dreams and the character to translate them into reality for our community.

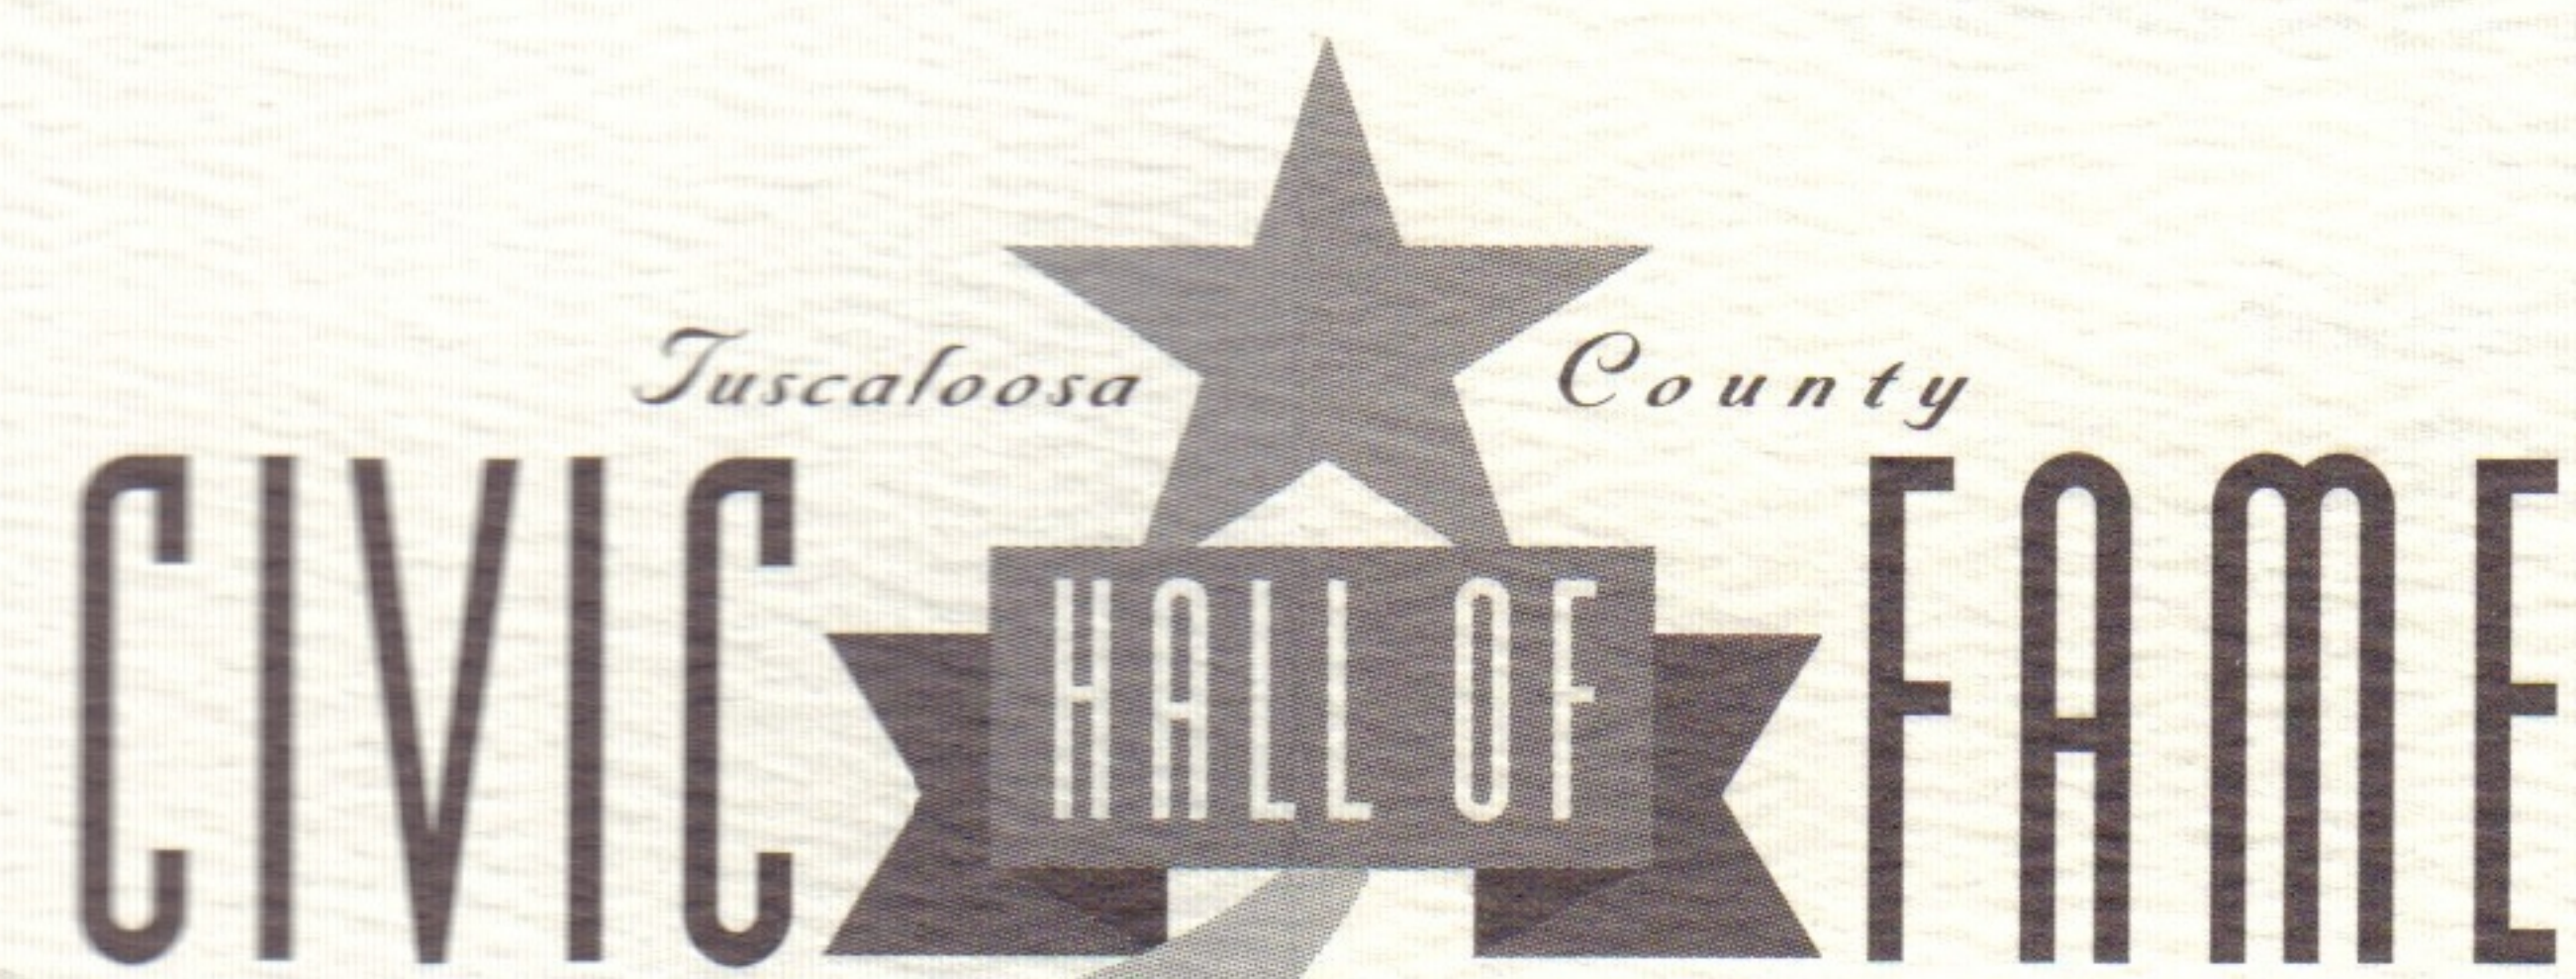

Thank you for sharing this memorable event with us as we honor seven more servant-leaders that are truly models of citizenship. Congratulations to the 2006 honorees who continue the tradition of the Tuscaloosa Civic Hall of Fame.

Sincerely,

Gene Poole
